EXHIBIT CONCEPT: Contemporary Landscapes (Title of Exhibit TBD)

EXHIBIT DESCRIPTION: We will be choosing works that are contemporary, expressive works depicting the landscape or the artist's experience of landscape from an emotional perspective rather than a purely literal translation. We will be looking for works in all mediums of the highest quality craftsmanship and execution of concept with evidence of process and clear point of view. Included in our idea of what encompasses the term "landscape" are natural surroundings as well as manmade and/or perceived surroundings which make up our environment, imagined or real. Please no student work.
